## Bad internship review - how to bounce back

During the Internship

Hi, just got my internship review back and it was pretty awful. Mostly negative things that were said about me, and a couple positives.

My manager has stated that I'm awful at communicating with people in general about my project or just stuff in general. I've been trying to work on it. Another thing she said was that I had messed up an official report (accidentally, and honestly I don't even remember what it was that I'd messed up on). Also, that I was not performing
